All terms defined in the glossary on page 122 bear the same meaning in this notice.

The company has secured the services of The Meeting Specialist Proprietary Limited (‘TMS’) to remotely host the AGM on an interactive electronic platform, in order to facilitate remote attendance, participation and voting by shareholders. Although voting will be permitted by way of electronic communication, shareholders are encouraged to make use of forms of proxy for purposes of voting at the AGM.

The nominations committee, having reviewed the composition of the board taking into account the nature of the work of the board, the strategy of the company, the skills requirements of the board, the board diversity policy, the balance between executive and non executive directors, statutory requirements in respect of board committee work, and the King IV™ Report on Corporate Governance for South Africa (‘King IV™’) recommendations on director independence and tenure, recommended the election of the directors listed above to the board.

The board, having received a positive recommendation as to the directors from the nominations committee, is satisfied with the performance of the directors standing for election and that they will continue to make an effective and valuable contribution to the company and the board. The board has reviewed the separate independent fit and proper assessments performed on each of the directors in terms of Section 6.73 of the JSE Listings Requirements and it is satisfied with the outcome thereof. The board accordingly recommends to shareholders that they should vote in favour of the election of the directors referred to in ordinary resolution number 1, each by way of a separate resolution.

- 2.1 Resolved that A Goordeen, classified as an executive director, be and is hereby elected as an alternate director to the group finance director, K van Haght, appointed by the board since the last AGM and being obligated to retire at this AGM but being eligible and available for election, and having offered himself for election as an alternate executive director to K van Haght; and

- 3.2 Resolved that U Maharaj, classified as an independent non executive director, be and is hereby re elected as a director of the company.

Reason and effect

In accordance with clause 5.1.10 of the MOI, one third of the non executive directors are required to retire from office at each AGM and may offer themselves for re election. Messrs. van der Merwe and Lawrance and Mrs Maharaj retire by rotation at the AGM in accordance with clause 5.1.10 of the MOI. Mr van der Merwe and Mrs Maharaj have offered themselves for re election. Mr Lawrance has notified the board that he shall be stepping down at the conclusion of this AGM.

Reason and effect

Pursuant to the Companies Act Amendments, Section 61(8)(c)(iii) read with Section 72(9A)(a) of the Companies Act requires that public companies elect a social and ethics committee at each AGM.

Brief particulars of the qualifications and experience of the abovementioned members are available on page 29 in the integrated annual report of which this notice forms part.

- 5.4 Resolved that subject to her re election as a director, U Maharaj, classified as an independent non executive director of the company, is elected as a member of the audit committee until the conclusion of the AGM to be held in 2027.

Reason and effect

In terms of Section 94(2) of the Companies Act, each audit committee member must be elected by shareholders each year at the AGM.

Brief particulars of the qualifications and experience of the abovementioned members are available on page 29 in the integrated annual report of which this notice forms part.

The nominations committee assessed the suitability of each member, taking into consideration independence, performance, skills and expertise requirements, and the board accepted the results of the assessment.

In terms of Regulation 42 of the Companies Regulations 2011, promulgated pursuant to the Companies Act, at least one third of the members of the company's audit committee at any particular time must have academic qualifications, or experience in economics, law, corporate governance, finance, accounting, commerce, industry, public affairs or human resource management.

The board is satisfied that each of the proposed members is duly qualified and with sufficient experience, as is evident from the brief biographies of each member on page 29 in the integrated annual report of which this notice forms part and that if all the above individuals are elected, the audit committee will comply with all relevant requirements and be able to perform its duties in terms of the Companies Act and the JSE Listings Requirements. Accordingly, the board recommends to shareholders that they should vote in favour of the election of the audit committee members referred to in ordinary resolution number 5, each by way of a separate resolution.

6. ORDINARY RESOLUTION 6: APPOINTMENT OF AUDITORS

Resolved that PricewaterhouseCoopers Inc. upon the recommendation of the audit committee, is appointed as the independent registered auditor of the company until the conclusion of the next AGM, and that Mr Pieter Vermeulen be noted as the designated engagement partner until the conclusion of the next AGM.

Reason and effect

Section 90(1) of the Companies Act and the JSE Listings Requirements stipulate that the company must, each year at its AGM, appoint an auditor meeting the requirements of Section 90(2) of the Companies Act.

The audit committee has satisfied itself that the proposed auditor, PricewaterhouseCoopers Inc., is independent of the company in accordance with Section 90 and 94 of the Companies Act. The audit committee has recommended the appointment of PricewaterhouseCoopers Inc. as the independent registered auditor of the company until the next AGM. The audit committee has confirmed that Mr Pieter Vermeulen is suitable for appointment as the designated engagement partner.

7. ORDINARY RESOLUTION 7: PLACEMENT OF CERTAIN OF THE AUTHORISED BUT UNISSUED SHARES UNDER THE CONTROL OF THE DIRECTORS

Resolved that the directors be authorised to allot and issue, or grant options over, a maximum number of 4 370 615 (four million three hundred and seventy thousand six hundred and fifteen) ordinary shares, representing 4,57% (four comma five seven percent) of the number of ordinary shares in issue as at the date of this notice upon such terms and conditions and at such times as they may determine and deem fit in their discretion, subject to the provisions of the Companies Act, the JSE Listings Requirements and the MOI, provided that this authority shall not extend beyond the AGM to be held in 2027 or 15 (fifteen) months from the date of passing of this resolution, whichever date is earlier.

Reason and effect

The reason for and effect of this ordinary resolution number 7 is to obtain the necessary approval from shareholders to allow the company to allot and issue, or grant options over, a limited number of shares in the authorised but unissued capital, namely a maximum number of 4 370 615 (four million three hundred and seventy thousand six hundred and fifteen) ordinary shares as and when the board deems fit. This number has been determined as 4,57% (four comma five seven percent) of the number of ordinary shares in issue as at the date of the notice of the AGM, subject to the provisions of the Companies Act, the JSE Listings Requirements and the MOI. The authority, if obtained from the shareholders, will not extend beyond the AGM to be held in 2027 or 15 (fifteen) months from the date of passing of the resolution, whichever date is earlier.

8. NON BINDING ADVISORY VOTE ON THE COMPANY'S REMUNERATION POLICY

Resolved through a non binding advisory vote, that the company's remuneration policy as set out in the remuneration committee report on page 89 in the integrated annual report of which this notice forms part be and is hereby endorsed.

Reason and effect

The JSE Listings Requirements require a company to table its remuneration policy for a non binding advisory vote by shareholders at its AGM. This vote enables shareholders to endorse the remuneration policy adopted for executive directors, prescribed officers and employees. The Bell Equipment remuneration policy is contained on page 89 in the integrated annual report of which this notice forms part.

The advisory vote is of a non binding nature only and therefore failure to pass this resolution will not have any legal consequences. However, the board will take cognisance of the outcome of the vote when considering the company's remuneration policy. In the event that shareholders exercising 25% (twenty five percent) or more of the voting rights exercise their vote against the non binding resolution, the company will in the voting results announcement provide for an invitation to those shareholders to engage with the company and the manner and timing of such engagement.

The company will engage with those dissenting shareholders in order to ascertain the reasons for their objection, and to respond appropriately to legitimate and reasonable objections and concerns.

9. NON BINDING ADVISORY VOTE ON THE COMPANY'S REMUNERATION IMPLEMENTATION REPORT

Resolved through a non binding advisory vote, that the company's implementation report containing the statutory remuneration disclosures in regard to its remuneration policy, as set out in the remuneration committee report on page 92 in the integrated annual report of which this notice forms part be and is hereby endorsed.

Reason and effect

The JSE Listings Requirements requires a company to table its remuneration implementation report for a non binding advisory vote by shareholders at its AGM. This vote enables shareholders to endorse the remuneration implementation report containing the statutory remuneration disclosures for executive directors, prescribed officers and employees. The Bell Equipment remuneration implementation report is contained on page 92 in the integrated annual report of which this notice forms part.

The advisory vote is of a non binding nature only and therefore failure to pass this resolution will not have any legal consequences. However, the board will take cognisance of the outcome of the vote when considering the implementation of the company's remuneration policy. In the event that shareholders exercising 25% (twenty five percent) or more of the voting rights exercise their vote against the non binding resolution, the company will in the voting results announcement provide for an invitation to those shareholders to engage with the company and the manner and timing of such engagement.

The company will engage with those dissenting shareholders in order to ascertain the reasons for their objection, and to respond appropriately to legitimate and reasonable objections and concerns.

Reason and effect

11. SPECIAL RESOLUTION 2: GENERAL AUTHORITY FOR THE PROVISION OF FINANCIAL ASSISTANCE IN TERMS OF SECTION 45 OF THE COMPANIES ACT

Reason and effect

The reason for and effect of this special resolution number 2 is to obtain the necessary approvals from shareholders to allow the company to provide financial assistance to the company's related and/or inter related companies or corporations in accordance with the provisions of Section 45 of the Companies Act, as and when required in the normal course of its business. Reason and effect

These special resolutions are required in order to comply with the requirements of the Companies Act. In this respect, Section 65(11)(h) provides that a special resolution is required to authorise the basis for compensation to directors of a profit company, as required by Section 66(9). Section 66(9) provides that remuneration may be paid to its directors for their services as directors only in accordance with a special resolution approved by the shareholders within the previous 2 (two) years.

Section 66(9) applies only to the remuneration paid to directors for their services as such. Unlike the non executive directors of the company, the executive directors do not receive any fees/remuneration for their services as directors. Their remuneration is for their services as employees of the company.

It is the intention that the basis of determining the remuneration payable to directors for their services is determined in advance of the forthcoming period that commences at the beginning of January 2027.

The effect of these special resolutions, if passed, will be the authorisation of the abovementioned fees.

13. SPECIAL RESOLUTION 4: GENERAL AUTHORITY TO REPURCHASE SHARES

Resolved that the board be authorised, by way of a general authority, to approve the purchase of its own ordinary shares by the company, or to approve the purchase of the ordinary shares in the company by any subsidiary of the company, subject to the applicable requirements of the Sections 7.84 through to 7.89 of the JSE Listings Requirements, the MOI, the Companies Act, and subject further to the restriction that the repurchase or purchase, as the case may be, by the company and/ or any of its subsidiaries of shares in the company under this authority will not, considered alone or together with other transactions in an integrated series of transactions, in aggregate exceed 20% (twenty percent) of the ordinary shares of the company in issue at the beginning of the financial year and provided that, as required in terms of the JSE Listings Requirements:

- the general repurchase of ordinary shares in the aggregate in any one financial year may not exceed 20% (twenty percent) of the company's issued ordinary share capital as at the beginning of the financial year, excluding treasury shares;
- the general repurchase of shares will be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the company and the counterparty (reported trades are prohibited);
- authorisation thereto is given in the company's MOI;
- this general authority shall only be valid until the company's next AGM, provided that it shall not extend beyond 15 (fifteen) months from the date of the passing of this special resolution;
- general repurchases may not be made at a price greater than 10% (ten percent) above the weighted average of the market value for the shares for the 5 (five) business days immediately preceding the date on which the transaction is effected;
- at any point in time, a company may only appoint one agent to effect any repurchases on the company's behalf;
- a resolution has been passed by the board confirming that the board has authorised the general repurchase, that the company passed the solvency and liquidity test as set out in the Companies Act and that since the test was done there have been no material changes to the financial position of the group, or in the case of a purchase by a subsidiary, a resolution of the board of such subsidiary confirming that such board has authorised the general repurchase, that such subsidiary passed the solvency and liquidity test and that since the test was done there have been no material changes to the financial position of the subsidiary;
- any such general repurchases are subject to exchange control regulations and approval at that point in time;
- the company or its subsidiaries may not repurchase shares during a prohibited period as defined in the JSE Listings Requirements unless they have in place a repurchase programme where the dates and quantities of shares to be traded during the relevant period are fixed (not subject to any variation) and full details of the programme have been disclosed to the JSE in writing prior to the commencement of the prohibited period;
- when the company has cumulatively repurchased 3% (three percent) of the initial number of the relevant class of shares (excluding treasury shares), and for each 3% (three percent) in aggregate of the initial number of that class acquired thereafter, an announcement will be made in line with Section 7.90 of the JSE Listings Requirements.

Reason and effect

The reason and effect for this special resolution number 4 is to authorise the company and any subsidiary of the company by way of a general authority to acquire the company's issued shares on such terms, conditions and in such amounts as determined from time to time by the directors of the company, subject to the limitations set out above. At the present time, the directors have no specific intention regarding the use of this authority which will only be used if the circumstances are appropriate. Any decision by the directors to use the general authority to acquire shares of the company will be taken with regard to prevailing market conditions and in accordance with the requirements to be considered by the board as set out above. This special resolution would also authorise the board acting on behalf of the company as the shareholder in its subsidiaries to pass the necessary shareholders' resolution to authorise the subsidiaries in question to purchase shares issued by the company.

Statement of board's intention

The directors of the company have no specific intention to effect any buy backs under the provisions of special resolution number 4 but will, however, continually review the company's position, having regard to the prevailing circumstances and market conditions, in considering whether to effect any buy backs under the provisions of special resolution number 4.

Other disclosures in terms of Section 7.91 (d) of the JSE Listings Requirements

The JSE Listings Requirements require certain disclosures for the purposes of the general authority to repurchase the company's shares as contemplated by special resolution number 4, some of which appear elsewhere in the integrated annual report:

No material changes

Other than the facts and developments reported on in the integrated annual report, there have been no material changes in the financial or trading position of the company and its subsidiaries since the date of signature of the audit report and the date of this notice.

14. OTHER BUSINESS

To transact such other business as may be transacted at an AGM.

INFORMATION SCHEDULE

QUORUM

The quorum requirement for the ordinary and special resolutions set out above is sufficient persons being present to exercise, in aggregate, at least 25% (twenty five percent) of all voting rights that are entitled to be exercised on the resolutions, provided that at least three shareholders of the company are present whether by electronic communication or otherwise, at the AGM.

ELECTRONIC PARTICIPATION (SPEAKING AND VOTING) ('PARTICIPATION')

General

The AGM will only be accessible through electronic communication. The company has retained the services of TMS to remotely host the AGM on an interactive electronic platform in order to enable electronic participation by shareholders. Shareholders or their proxies who wish to participate in the AGM, can only do so via electronic communication ('Participants'). Participants will be able, once verified and furnished with a unique link by TMS, to access the AGM and as a result hear the full proceedings, be able to speak (the sequence in which Participants speak being determined by the chairman of the AGM in a fair manner), and to vote on each resolution proposed.

Participants must deliver the Electronic Participation and Verification Application Form attached to this notice (the 'Form') duly completed plus the relevant documentation referred to in the Form to TMS via email to proxy@tmsmeetings.co.za or contact them on 081 711 4255/084 433 4836/061 440 0654 as soon as possible, but in any event no later than 11h00 (South African Standard Time) on Tuesday, 2 June 2026.

If shareholders wish to participate in the AGM, they should instruct their CSDP or broker to issue them with the necessary letter of representation to participate in the AGM, in the manner stipulated in their custody agreement. These instructions must be provided to the CSDP or broker by the cut off time and date advised by the CSDP or broker, to accommodate such requests.

Each Participant, who has delivered the Form duly completed together with the relevant documentation referred to in that Form, will be verified by TMS (in correspondence with the company and, in particular, the transfer secretaries, JIS) to validate each such Participant's entitlement to participate in and/or vote at the AGM, before providing it with the necessary means to access the AGM and/or the associated voting platform.

JIS will also act as the scrutineer to vet all proxy forms submitted and to advise the chairman of the AGM as to any proxies to reject.

If any of the documents referred to in the Form are not delivered to TMS, or if the Form has not been duly completed, then it will not be possible for TMS to complete the verification and accordingly the participant in question will not be furnished with the unique link to participate at the AGM, unless and until the Form is duly completed and the requisite documentation has been delivered. TMS will contact any shareholder if the Form which is delivered is not properly completed or the requisite documentation has not been delivered with the Form.

Participants, once verified, will be contacted by TMS between Tuesday, 2 June 2026 and Wednesday, 3 June 2026 via the email provided on the Form, with a unique link to allow them to participate in the AGM. Once the Participant has received the unique link, the onus to safeguard this information rests with the Participant. Participation at the AGM

1. Dematerialised Shareholders

If a shareholder which holds their shares in dematerialised form other than on an own name basis ('Dematerialised Shareholder'), wishes to participate in the AGM in person they should instruct their CSDP or broker to issue them with the necessary letter of representation, in the manner stipulated in their respective custody agreement. That letter of representation must then be furnished by the Dematerialised Shareholder as a part of the verification process referred to above.

Alternatively, if a Dematerialised Shareholder does not wish to participate personally at the AGM but has not been contacted by their CSDP or broker to ascertain how the Dematerialised Shareholder wishes to cast their votes at the AGM, the Dematerialised Shareholder should contact their CSDP or broker to give their voting instructions. If a Dematerialised Shareholder's CSDP or broker does not obtain voting instructions from the Dematerialised Shareholder, it will be obliged to vote in accordance with the provisions contained in the custody agreement.

Dematerialised Shareholders must not complete the form of proxy.

2. Certificated Shareholders and Own Name Shareholders

Once verified, a shareholder which holds their shares in certificated form ('Certificated Shareholder') or who is a shareholder which holds their shares in dematerialised form on an own name basis ('Own Name Shareholder') may participate in person by electronic communication at the AGM.

Alternatively, a Certificated Shareholder or an Own Name Shareholder which is unable to attend the AGM by electronic communication is encouraged to appoint a proxy to represent them at the AGM by completing the attached Form in accordance with the instructions contained in the Form and returning it to TMS, by email to proxy@tmsmeetings.co.za. It is requested that the Forms be received by no later than 11h00 on Tuesday, 2 June 2026 but they can be presented at any time before the commencement of the AGM by contacting TMS via email or contact number as set out on the previous page. Until presented, the proxy will not be permitted to participate in the AGM (including voting).

3. Joint Holders

If there are joint Certificated Shareholders or Own Name Shareholders or Dematerialised Shareholders of any particular shares, any one of such persons may vote at the AGM in respect of such shares as if that person is solely entitled thereto, but if more than one of such joint holders are present or represented at the AGM, the person whose name appears first in Bell Equipment's register in respect of such shares or their proxy, as the case may be, shall alone be entitled to vote in respect of such shares.

SHARES HELD BY SHARE TRUST OR SCHEME

Equity shares in Bell Equipment held (i) by a subsidiary and/or (ii) by a trust, through a scheme and/or other entity, where the equity shares in the company are controlled by the company from a voting perspective, will not have their votes taken into account for purposes of any JSE regulated resolutions.
